**Did you know???**

**GALIL** diamond burs were tested at the most prestigious dental testing facility in the United States, CRA.

They were proven to be better than most well known, widely used, brand name diamond burs. ( Brasseler, NTL, Two Striper.)

In lab testing, using "macor" a substance stronger than glass, the Galil had the fastest cut and the best longevity.

The only bur included in the test that scored on the same level as the GALIL was a Premier TS2000.

However, TS2000 is a turbo bur that costs \$10.00+.

**WHY PAY \$10.00 FOR A DIAMOND BUR THAT A \$4.99 GALIL CAN MATCH IN QUALITY????**
