Dimensions - net	14" x 12.5" x 20.5"
Weight - net	31 lbs
Shipping dimensions	16" x 15" x 25"
Shipping weight	35 lbs
Warranty	RELIABLE™ 1 Year Warranty

DESCRIPTION

The i702C is the industries most flexible denal steam cleaner. The i702C has been designed from the ground up to deliver superior quality steam, and provide the best possible user experience. It comes complete with our adjustable steam nozzle with foot pedal, and with a steam gun.

The i702C offers a quick, efficient way of cleaning away left over wax, plaster waste and other debris, and for polishing the final product.

RELIABLE™ understands that the quality of a steam cleaner is only as good (no matter how nice it looks) as what is inside it. This is why we use the best components available; 12-gauge wiring throughout, a ceramic (not plastic) terminal block, Teddington pressure control and an all stainless steel steam tank to eliminate the chance of rust.

BEST USED FOR

Cleaning all types of compounds, fingerprints, soap spots and dirt
